Room 37

Will exit out the South doors and line up east of the parking lot, near the bike rack
Alternate Route - East doors

Sr. High Resource room
Mr. Hudson's Bio Lab
Nursery School
North Gym
Room 35
Video Conference room
Mrs. Lovett's class
Mme. Jamault's French Room
Room 30
Mr. Hudson's Chem lab
Mr. Outhwaite's class
Cafeteria

Will exit the school through the East doors and line up 50 ft. from the school.
Alternate Route - North Door

Home Ec. Lab
I.A. Room
Band Room

Will use the North Door and line up in the North parking lot.
Alternate Route - East Doors

Lab #11

Class will exit through Lab 11 Main door and out through the North Doors.
Alternate Route - South Doors

Please shut off all lights and close doors.
Do Your Attendance/Count AND Report to Captain

Captains have been assigned for each door as follows:

South Door	Jen Thiessen-Kramer	Alternate – Katrina Nichol
West door (South Hall)	Naureen Grant	Alternate – Paula Opperman
South Door (West Hall)	Naureen Grant	Alternate – Paula Opperman
West door (North Hall)	Jana Little	Alternate – Kat Moody
North West door (Early Years)	Christi Magwood	Alternate – Terell Korman
North East door (Early Years)	Christi Magwood	Alternate – Terell Korman
North Door	Greg Forsythe	Alternate – Erica Hilhorst
East Door	Wendy Lovett	Alternate – Terrill Outhwaite

Captains quickly send *one* runner to Mrs. Lamont and Miss Bylo at the bike rack
Runners are to stay with the secretaries and wait for further instruction

It is the duty of the captain to check off (from advice of the classroom teacher) that all students have exited the building. Classroom teachers are to advise the captain that all are accounted for or “John” is missing - he went to the washroom. Captains record this under comment section.

Students are to line up by classroom groups facing the school and remain quiet and orderly. (This will be reported on by captains) Captains will report to the administration of the school on the form provided. This information will be used to determine re-entry.

Students will be allowed to re-enter the building only after the signal from administration. If deemed necessary, a signal will be given that all students and staff are to evacuate the property and proceed to the New Life Assembly church.

Students & staff are not to enter the building until the signal is given. This will be done only after the building managers have heard from all captains indicating that all are accounted for and it has been determined that it is safe to re-enter the building.

A map of the pertinent classroom area is posted near the exit door in each area and exit routes are clearly marked with a red marker. This should be drawn to the attention of the students.

Office Staff to check sick room.

Early Years Resource to check their rooms, Special Needs bathroom and girls bathroom in main hallway.

Gym teachers to check change rooms in gym.

Sandra Freeman to check girls bathroom upstairs.

Wendy Lovett to check boys bathroom upstairs.

Patrick Hudson to check girls bathroom downstairs.

Darren Knight to check boys bathroom downstairs.

Katrina Nichol to check the boys bathroom in main hallway.

Kim Riley is to check boys bathroom in the early years area.

Sandy Witherspoon is to check girls bathroom in the early years area.

Noon Hour Procedure

Should the fire bell ring between 12:05 & 12:50 students should exit the North Gym in the following manner:

- Students seated on the north-west side should leave the North Gym through the door on the North West corner exit out through the NORTH Door
- Students seated on the south-east side shall use the main door and exit through the EAST Doors

Students in bathrooms and other areas other than classrooms are to exit through the nearest exit and report to the Captain at that exit.

Students with teachers or other staff personnel other than classroom teachers are the responsibility of those staff members.

Students should exit the building in a quiet and orderly fashion without running. Should doors need to be held open, the first two students at the doors should hold them open until all students have proceeded through. They should then re-join the group. Students should line up by grade from at least 50 ft. from the door. Once attendance has been taken, duty teachers will then escort students to the playground. Students who exit through South doors should line-up on the east side of the south parking lot, near the bike rack.

Duty teachers check your specific areas - classroom, bathrooms, labs, hallways etc. Check your area to see that everyone is out.

Evacuate to Church Procedure

Teachers are to carry their attendance records with them to facilitate the accounting for students. Information regarding the accounting of students must be relayed to the principals as per a fire drill.

Students will evacuate the building as per a fire drill. If deemed necessary, under the direction of administration and supervision of the teachers, students proceed to the New Life Assembly Church. A signal will be given to the runner who reports to the South Door indicating to evacuate to the church. A copy of the Nominal Roll & Emergency Plan as well as a key to the New Life Assembly will be taken by the secretaries. A copy of the key to the New Life Assembly and the Nominal Roll will be kept at the Turtle Mountain School Division Office.

Crosswalk supervisors have been assigned for each corner of the route to the New Life Assembly Church and stop traffic as follows:

King Avenue & Fletcher Street	Darren Knight	Alternate: Sandra Freeman
King Avenue & Finlay Street	Terrill Outhwaite	Alternate: Erica Hilhorst
Finlay Street & Laurier Avenue	Meagan Lawson	Alternate:

Once at the New Life Assembly Church, Grade 9 to 12 students will go to the basement and report to the same teacher they evacuated with. Kindergarten to Grade 8 students will meet with their homeroom teacher upstairs. Attendance will be taken again and reported to the secretaries.

Communication will be made to the Division Office from the New Life Assembly by a teacher designated by the principal. Parents will be contacted from the New Life Assembly and if necessary the Turtle Mountain School Division office.

There are some emergencies (e.g. chemical spills) where evacuation of the building will not be a reasonable course of action. In such cases, students and staff will remain in the school building until notified by the proper authorities of any action that should be taken. The custodians will shut down all air handling units and make sure the bathroom fans are turned off.
