

Can We Be of Service?

Community Service Day

Killarney School

Grade 9 to 12 Students

October 10, 2018

Members of the community are encouraged to utilize the services of students in their workplaces or homes in exchange for a donation of \$30, which goes toward Student Activities. This is our major fund-raiser for the high school each year. We want to provide services in exchange for a financial contribution. All High School Students have the necessary contract information and can be contacted directly.

If you are interested in acquiring services from one of our students and have not been approached please contact the school at (204) 523-4696 between 8am and 4pm, Monday to Friday.

Thank you for your donations
and support of
community service day.

Important Dates:

- October 2 ~ Orange Shirt Day
- October 4 ~ Honour Roll & Undergrad Awards 1PM
- October 8 ~ Thanksgiving Day
- October 10 ~ Community Service Day (Grade 9-12)
- October 19 ~ PD Day—No School
- October 24 ~ Early Dismissal 2PM
- October 26 ~ Middle Years Dance

Uncertain Future

What does the future look like and what is in store for future graduates? How does anyone aspire to a career we don't know exists yet?

This is a topic I have written about in the past. However, it's a theme that occupies most of my time as the career Leader for the division. The Information/Digital Age has led to rapid change that makes it very difficult to predict the future. We are moving at warp-speed, faster than any period in human history. Parents stop to ask me regularly about what their kids should be doing to prepare for this uncertain future. Is Chemistry or biology the better choice? People are concerned because life seems much more complicated.

I listened to someone just recently talk about how exciting, not scary the future actually appears. Innovation, growth and opportunity will define the next wave of careers.

All administration, teachers, and support staff within Turtle Mountain work hard at developing student strengths. We regularly discuss the importance of developing resiliency in students so future grads can adapt to change and unpredictability. The future maybe uncertain but the students are prepared!

Rick Korman

TMSD Career Leader

Choir News

I am excited to be conducting the junior choir (grades 1-8) for the community Christmas cantata this year. There will be 2 performances of the cantata, both of which are at the Killarney United Church. Performance dates are: Saturday, December 8 @ 7:00 pm and Sunday, December 9 @ 3:00 pm.

Rehearsals are Thursdays in the school music room at 8:00 am starting October 11. As we get closer to the performance date, we may need to add a few noon hour practices, but I will communicate this well in advance.

If your child is interested in singing with us, please e-mail me at licampbell@tmsd.mb.ca (before the first rehearsal) to confirm that you would like your child to be involved in this choir, and are able to commit to the rehearsals and both performances. Please feel free to contact me with any questions or concerns.

Mrs. Lisa Campbell

Hey KCI family!

This is Elena Knight, your Middle Years Student Council president for this year.

Last year, we made great progress, and we were sad to see all of our amazing eighth graders move up to senior high.

This October, we have so many fun things coming up! The middle years students will once again be selling magazine subscriptions to our Raider community. This fundraiser will run from October 3rd to October 17th. Keep an eye out for the "Raider Pumpkin" that will be in the office. Middle years students are welcome to make an estimate about the weight of the pumpkin, with the closest estimate taking home the pumpkin on October 19th.

Ghostly Greetings will also be sold from October 25th to 30th at noon hour. Deliveries of these goodies will be on October 31st. Last, but not least, there will be a Halloween dance on Friday, October 26th, from 6:30-9:30pm. We hope to see you there in your best costume!

Happy October, Raiders!

Vision/hearing screening will take place in November. Vision screening is for grades K, 1, 3, 5, 7, 9 & 11. Hearing screening is for K & 1.

Please call the school if you have any questions.

Dear Parents/Guardians and Families,

As you may be aware the Federal government has passed the Cannabis Act, which will come into force on **October 17, 2018**. In Manitoba, possession and use of non-medicinal cannabis will be legal for adults **19** years of age and older.

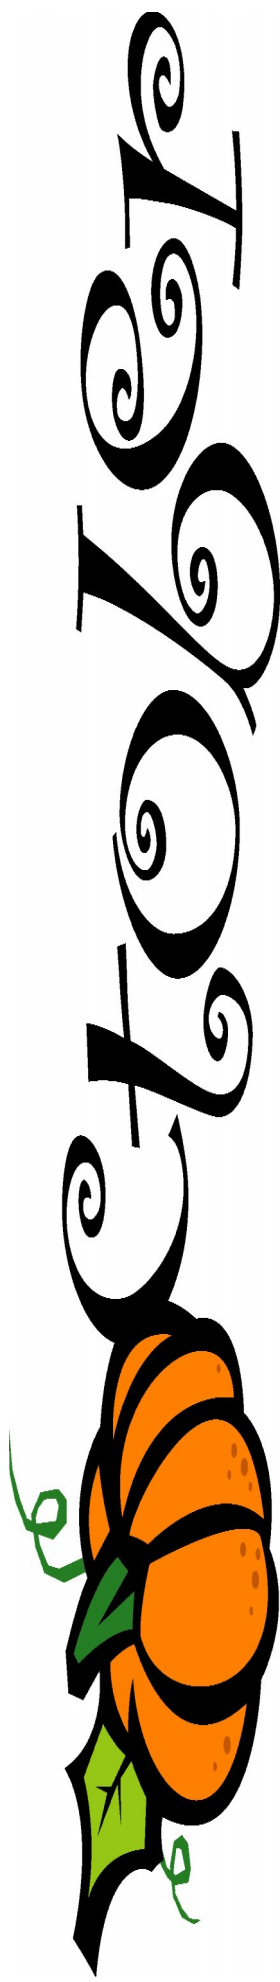

There are a number of key cannabis facts that young people and parents should understand. It is generally accepted by the medical community that young people are more likely to experience harm from regular use of cannabis before the age of 25. Cannabis can also affect important aspects of a young person's learning and memory. In addition, cannabis use may also lead to addiction, which can have a negative effect on mental health, relationships with others, academics, extra-curricular activities, and everyday life.

Manitoba Education and Training wants to ensure that parents have the tools to talk to their children about cannabis use and its potential consequences. This past April, the Department of Health, Seniors and Active Living and Department of Education and Training helped distribute Addictions Foundation of Manitoba's cannabis awareness package to all school divisions in the province. This package contains numerous fact sheets and infographics on cannabis and a Cannabis Talk Kit for teachers and parents. It can be accessed at the online Health and Physical Education Learning Resources page at the following address www.edu.gov.mb.ca/k12/cur/physhlth/.

Please take the time to read this information and to share it with others.

I wish each of you a successful school year.

Kelvin Goertzen
Minister
Education and Training
