Killarney High School Student Led Gala Fall 2018

In order to continue working on our goal of celebrating learning and education, we are inviting you to our:

HIGH SCHOOL STUDENT-LED GALA

Wednesday, November 21st

Thursday, November 22nd

6:00pm to 8:00pm

North Gym

The goals for Student Led conferences remain the same: It is **the opportunity for youth to take ownership of their learning and be the drivers in their path forward**. It is a CELEBRATION of what they have and can still accomplish. As well, it is a time to look at their results with you and for you **to ask questions and challenge their ideas about learning**.

There is also time for meeting individually with your child's teachers. Our SLGala will take place in the North Gym with teachers being available in and out of the gym. However, in order to meet with you privately, they will take you back to their classrooms in order to have deeper discussions about your child's progress.

Once again, the gym will serve as a show case for the learning that has taken place: student art, woodworking, course projects and videos. In order to prepare, your child will be given the opportunity in each course to consider what they would like to share. Everyone will continue to select one piece that can be written, pictured, photocopied or electronic. They will be taught how to present it to you from their learning perspective. For example, what was the most difficult part they had to work through? What was the least difficult? Where did they grow or become stronger or more knowledgeable? They will have time at school in their advisor groups to practice what this should look like and to polish their presentations. You will also be able to choose from a list of discussion questions and ideas to assist in the conversation.

We look very forward to celebrating with you!
See you then!

K - 8 Student Led Conferences

Your child's individual classroom teacher will schedule a time for your Student Led Conference and let you know when you need to come. The conferences will take place in the classroom.

Report cards will be available to those who come on Wednesday night instead of Thursday. Otherwise, report cards will be sent home on Thursday November 22nd.

Career Month

The Canadian Council for Career Development has once again designated November as national Career Month. Launched in 1994 "Take Our Kids to Work" program for grade nine students continues to be the focal point around their career initiatives to generate discussion at home. This year some new programs have been introduced to continue developing the discussion around career readiness. Visit the national website (careermonth.ca) to explore some of the daily activities they have planned throughout the month and take the "I can because..." challenge. It is a wonderful opportunity to help children get excited about the future. Let's use the month to encourage, inspire and raise the level of aspiration in everyone!

Farm Credit Canada Food Drive

On October 16th, a team from FCC Drive Away Hunger came to Killarney School to weigh the food donations that we collected. Our donations will provide 262 meals for families in need.

WAY TO GO RAIDERS!

Vision/Hearing Screening

Vision/hearing screening will take place in November. Vision screening is for grades kindergarten, 1, 3, 5, 7, 9 & 11. Hearing screening is for kindergarten & grade 1. Please call the school if you have any questions.

Brave the Shave

On Saturday, October 6, Ryder, Kaiden, and Phoenix Gower and their father Rick as well as Evan Blixhavn, along with his dad Jeff and Uncle Clint Fleming, participated in "Brave the Shave", a cancer fundraiser. The fundraiser was also a Guinness Book of World Record attempt for the most heads shaved in an hour. While the record attempt was unsuccessful, the "Brave the Shave" raised over \$18,000 for cancer research in an exciting and fun afternoon.

WAY TO GO BOYS!!!!
