Remembrance Day Service

Unfortunately, we aren't able to host the community for a Remembrance Day service this year.

However, our music teacher, Mrs. Campbell, is working hard with the help of our kindergarten to grade 8 students, to put together a recorded service.

Watch for more information on the Killarney School website!

Killarney School is excited to announce that the Killarney Foundation is supporting our school with grants of \$16,000 and \$20,000!!

The Foundation recognizes our North Gym as a multi-purpose learning space that allows students to socially distance themselves and access technology so that they can successfully participate in learning while observing our COVID related regulations. With the \$16,000 grant, we are able to purchase a large venue projector, a wall mounted projector screen, 16 Chromebooks and a Chromebook cart. In the event that we move to Level Orange or Red and are required to have 2 meters of physical distancing, the north gym could ultimately be used as a space to bring larger groups together. The screen and projector will continue to be a great addition to the gym and will be used for presentations, meetings, assemblies, gym class, etc...

Earlier this year, The Killarney Foundation also supported our school with a grant of nearly \$20,000 to upgrade our sound system with wireless headset microphones, a sound board and amp. These additions will improve the sound quality at Christmas concerts, band concerts and drama productions!

A HUGE THANK YOU TO KILLARNEY FOUNDATION!!!

FROM THE LIBRARY...

October just flew by this year! We have been busy in the library with new displays and the classes are slowly coming back to check out books. I am still going to a few classrooms and bringing them book baskets as well as reading them a book or two.

We currently have Mrs. McGill's high school art and Mrs. Forsythe's Grade 5's colour poems displayed in the library. Also, we have had the Grade 4's habitat posters up.

I have sent out letters to students who still had books checked out from last school year. If you cannot find the book at home, please send me an email or send a note to your child's teacher. I was away on maternity leave last spring so I am not sure which books got left in classrooms, which went home with children or which got returned but were missed getting checked in. If you send me a little message I know that it was checked at home and I will keep searching at the school.

I will be setting up Remembrance Day and winter displays for November. Also watch for many new books coming out soon! Hope you all are having a safe and healthy fall!

Your Friendly School Librarian,
Mrs. McGill
