It is the duty of the *captain to check off (from advice of the classroom teacher) that all students have exited the building. Classroom teachers are to advise the captain that all are accounted for or “John” is missing - he went to the washroom. This information should be recorded by the captain. *Captains will report to the administration of the school on the form provided. This information will be used to determine re-entry.

***CAPTAINS QUICKLY SEND ONE (1) RUNNER TO MISS. BYLO AND MRS. LAMONT AT KING AVENUE.
RUNNERS ARE TO STAY WITH THE SECRETARIES AND WAIT FOR FURTHER INSTRUCTION.**

Students are to muster by classroom groups facing the school and remain quiet and orderly (This will be reported on by captains). ***Groups mustering near the front of the school should keep a good distance away from the secretaries so they can be easily seen by the runners.***

Students will be allowed to re-enter the building only after the signal is given from administration. The secretaries will send notification with the runners back to their respective captains. If deemed necessary, notification will be given that all students and staff are to evacuate the property and proceed to the New Life Assembly church.

Once the building managers have heard from all captains indicating that all are accounted for ***and*** it has been determined that it is safe to re-enter the building, students & staff will be notified.

A map of the pertinent classroom area is posted near the exit door in each area and exit routes are clearly marked with a red marker. This should be drawn to the attention of the students.

Noon Hour Procedure

Should the fire bell ring between 12:05 & 12:50 students should exit the North Gym in the following manner:

- Students seated on the north-west side should leave the North Gym through the door on the North West corner exit out through the NORTH Door
- Students seated on the south-east side shall use the main door and exit through the EAST Doors

Students in bathrooms and other areas other than classrooms are to exit through the nearest exit and report to the Captain at that exit.

Students with teachers or other staff personnel other than classroom teachers are the responsibility of those staff members.

Students should exit the building in a quiet and orderly fashion without running. Should doors need to be held open, the first two students at the doors should hold them open until all students have proceeded through. They should then re-join the group. Students should muster by grade at least 50 ft. from the door. Once attendance has been taken, duty teachers will then escort students to the playground. Students who exit through South doors should line-up on the east side of the south parking lot, near the bike rack.

Duty teachers check your specific areas - classroom, bathrooms, labs, hallways etc. Check your area to see that everyone is out.

Evacuate to Church Procedure

Teachers are to carry their attendance records with them to facilitate the accounting for students. Information regarding the accounting of students must be relayed to the principals as per a fire drill.

Students will evacuate the building as per a fire drill. If deemed necessary, under the direction of administration and supervision of the teachers, students proceed to the New Life Assembly Church. A signal will be given to the runner who reports to the secretaries indicating to evacuate to the church. A copy of the Nominal Roll & Emergency Plan as well as a key to the New Life Assembly will be taken by the secretaries. A copy of the key to the New Life Assembly and the Nominal Roll will be kept at the Turtle Mountain School Division Office.

Crosswalk supervisors have been assigned for each corner of the route to the New Life Assembly Church and stop traffic as follows:

King Avenue & Fletcher Street:	Darren Knight	Alternate: Jennifer Thiessen-Kramer
King Avenue & Finlay Street:	Terrill Outhwaite	Alternate: Erica Hilhorst

Once at the New Life Assembly Church, Grade 9 to 12 students will go to the basement and report to the same teacher they evacuated with. Kindergarten to Grade 8 students will meet with their homeroom teacher upstairs. Attendance will be taken again and reported to the secretaries. Communication will be made to the Division Office from the New Life Assembly by a teacher designated by the principal. Parents will be contacted from the New Life Assembly and if necessary the Turtle Mountain School Division office.

There are some emergencies (e.g. chemical spills) where evacuation of the building will not be a reasonable course of action. In such cases, students and staff will remain in the school building until notified by the proper authorities of any action that should be taken. The custodians will shut down all air handling units and make sure the bathroom fans are turned off.
