REFLECT AND REFOCUS ON YOUR GOALS

Christmas break is not exactly the midway point in the year, but it is an excellent opportunity to evaluate academic progress to date with your kids . It can be a break in the busy schedule for many to sit down and assess future goals and if performance at school meets expectations of those goals. For the grade 12 students, the start of 2020 will be the last stretch before facing a new set of challenges. I encourage everyone over the holidays to take time and reflect on the first half of the school year and refocus on the months that remain to ensure targets are met, especially as it pertains to planning for the future.

FROM THE LIBRARY

Our friendly neighbourhood librarian, Mrs. McGill welcomed a baby girl on December 25th! While she is away on maternity leave, Mrs. Mary Kennedy will be taking care of our library!

We look forward to working with Mrs. Kennedy in her new role!

A NOTE FROM THE KILLARNEY LAKE ACTION COMMITTEE

We are sending a reminder to spend time with your kids discussing the dangers of open water on Killarney Lake.

The high risk area near the water treatment plant has been marked by signage and flashing lights to warn everyone to stay away. Regular reminders from parents will help avoid unnecessary accidents.

Wishing Everyone a Safe and Happy Winter!
