I hope everyone had a great September! As it is now officially fall, I have been putting out the Fall, Thanksgiving and Halloween books on display. I have also been working on new book displays as Mrs. Kennedy got many books ready while there were no students in the school in the Spring. I have also been including these books in the book baskets that I am bringing to some of the classrooms. I have also started to come to some of the classrooms and read books to them.

Reminder to all students that if you have any library books from last school year to please return them so that they can be checked in and other students have a chance to check them out. Many new books were checked out in March right before the last day of school. I will start the emails and letters to parents next week so that hopefully some of these books can be returned.

Also, due to COVID regulations this year we will not be having a book fair this fall. We are hopeful that we may be able to have one in the spring! I want to send out a thank you to everyone for their support on the book fairs last year! I hope you have a great October!

Your friendly school librarian,
Mrs. McGill

The **Killarney Curling Club** opens registration for Junior Curlers to determine what we can offer for 2020-2021 curling season.

We welcome past members of the Junior Curler program to register for the new season. We may have two nights if we have more curlers than we can manage with social distancing on the ice and in the waiting room.

Please indicate if you would curl Mondays or Thursdays with start date in November to be announced.

We invite new curlers to join the Junior Curler program when novice training starts in January 2021.

Cost of the program is \$30.

For additional information and registration please contact Anne Smith at 204-523-0118 or Derek McGill 204-523-6663.
