Mr. Manns' grade 3 class just finished a novel study on the novels from Geronimo Stilton and the Magic Tree House series. They learned about setting, problem and solution, main idea, main characters, character traits, beginning, middle and end, summarizing and powerful vocabulary. At the end, they made either a 3-D tree house or a storyboard. Here are the students with their finished projects!

The Bird Above

So much depends
Upon

A bird flying
Above

It wings flapped Along
with others

Beside it's
Family.

Written by Kellah S.
Inspired by The Red Wheelbarrow

Spring

When winter's long hold is done,
In comes spring and the sun.
And as the sun starts to sink,
I realize that summer will be here in a blink.

-Aliyah R.

Tom The Bird

I once met a bird named Tom
And he always wanted a bomb
But then he found a note
From the king of Tote
That silly bird named Tom

-Cierra W

The Chicken

There once was a chicken called Bean
He wanted to learn how to green
So he bought a ball
And made a guy fall
The king of the court called Bean

If I Were in Charge of the World

If I were in charge of the world,
I'd cancel having to ride the school bus,
Waiting for anything,
Being cold,
And also Covid.

If I were in charge of the world,
There would be anything you wanted always on sale,
Food would get cooked in seconds,
And no spoilers, ever.

If I were in charge of the world,
You wouldn't have anxious,
You wouldn't have bored,
You wouldn't have sadness,
And you wouldn't have fighting.

If I were in charge of the world,
All books would be free,
Everyone would easily get to sleep,
Everyone would have good friends,
And every good person
Would be allowed
To be in charge of the world.

Injuries

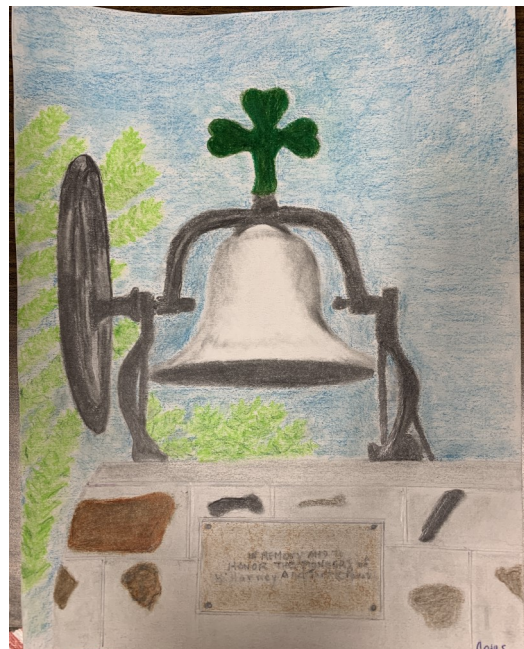

I'm worried about injuries
When I'm playing sports
I don't wanna get hurt
Like breaking a bone
Or tearing something
Or even getting an concussion
I just don't want to
Get bad

Sunset

I saw a marvelous orange sunset
that was reflected in the water
The moon was coming up and it was a
magnificent view. I jumped off the dock into
the freezing cold water even though it was
cold. I stayed in and swam until I was tired.
It was time to go home to my warm comfy
bed

Mrs. McGill's grade 9/10 art classes have been working on a community project over the past two weeks. Students selected a photo of Killarney and surrounding area and recreated it in the medium of their choice. Pieces will be given to Wenda Anderson to distribute to the various care homes in town to be enjoyed by their residents.
