Earth Day in Grade 1-2

This year for Earth Day, Mrs. Taylor's grade 1-2 class took to the streets to pick up some garbage. We were quite shocked at how little garbage there was on our journey. We also talked about reducing, reusing and recycling. We brainstormed ways to cut back our class garbage, photocopying and energy use. We worked most the day with our classroom lights off and used the natural light from the windows in our room. We also talked about trying to make our lunches more environmentally friendly by reducing the amount of garbage wrappers etc. in our lunches and using reusable water bottles. The final activity we did was plant flowers. We reused dirt from the great outdoors and are planning on planting our flowers at our homes to help make an impact on air supply! The students are enjoying seeing their plants grow in connection to our 'Needs of Living Things' unit in science. We have also been enjoying the outdoor classroom - building, climbing and exploring is huge for these little ones after some long days in the COVID style classroom.

UPCOMING Events

Remote Learning Day

May 11 – Shamrock Centre Students

Victoria Day

May 24 – No School

Scholarship Applications Due

May 25 – Grade 12 Students

Early Dismissal

May 26, 2: 00pm

FROM THE GYM

Reminder for High School Students:

All health units
(2 for grades 9 & 10 and 3 for grades
11 & 12) must be turned in by June 1st.

ATTENTION PARENTS:

Our Lost & Found bins are

OVERFLOWING

with shirts, hoodies, pants, jackets, shoes, water bottles, toques, mitts, etc. If you are missing something, please check the 2 bins - in the South Foyer or the Primary Coat Room. Any items left in July will be given to families in need.

Below are pictures of the Primary Area Lost and Found. Please let your teachers know if something belongs to you ASAP.

We would like to get the winter clothing cleaned up soon.
