### KPAC NEWS

Teacher & Staff Appreciation Week is February 11-17! Let's show the teachers and staff of Killarney School some love! They all work tirelessly to provide the very best education and care for our children and their efforts do not go unnoticed! Now is a great time to say, "THANK YOU"

Would you like to learn a bit more about KPAC and what you can do to help out? Please feel free to email us at [killarneyparentadvisorycouncil@gmail.com](mailto:killarneyparentadvisorycouncil@gmail.com)  
We'd love to hear from you!

We have had some cases of lice throughout the school recently. Please keep an eye out for any traces in your home. Students with lice cannot be at school until they have been treated and treatment must be continued as directed.

More information regarding head lice is included at the back of this newsletter.

With the warm weather we've had recently, our playground is wet! Please consider sending extra clothes (pants, socks, mitts, etc.) in your child's backpack just in case they need to change.

## LIBRARY CORNER

I hope you are enjoying the nice weather that has been sent to us! I wanted to remind everyone about a program TMSD is offering along with our Killarney School library and Lakeland Regional Library (Killarney Public Library) called *SORA*. Families will download the Sora app, log in with their school email address and access the Sora collection as well as the eLibraries collection of books! There are ebooks and audiobooks as well as 'read to you' books available. The best part is, it's completely *FREE*! I have included the instructions for using the Sora app to the back of this newsletter.

For our out of town students, our local Lakeland Regional Library provides library memberships to all Killarney School students, even those who live in neighbouring municipalities! If you have any questions, please contact me at the school or our local Lakeland Regional Library. I'm excited to see all of the kids have access to so many free books!

Your Friendly School Librarian,  
Mrs. McGill

## BUS CANCELLATION AND SCHOOL CLOSURE PROCEDURES FOR PARENTS

### In the event buses are canceled during the school day:

- Students **may** remain at school until 3:20; buses are canceled, classes are not
- Parents/Guardians will receive a mass email from the school/division to notify them of the bus cancellation
- **All students will be asked to remain in their classrooms until there has been communication with parents/guardians for each student. High school students will remain in the class/room they have at the time and communicate their plans (as provided by the parent/guardian) with the teacher.**
- **Office staff will be unable to answer phones during this time**
- A teacher will reach out to parents/guardians to confirm their student's plans.
  - Parents should respond to the email from the teacher, or text their student's cell phone (if they have one) and the student can show the teacher the communication.
  - Staff will need to know the following:
    - who is picking up the student or how are they getting home
    - the student's intended destination
  - If families have more than one student in school, the parent/guardian needs to reach out to/communicate with **each** classroom teacher. *We ask that one student not be required to go around to other classrooms to pass along messages.*
- Bus students will need alternate arrangements in place prior to 3:20
- If transportation is necessary, parents/guardians must have arranged to have pick-ups completed by 3:20
- Parents/Guardians/Storm Billets **may pick up** the student/students prior to 3:20 after communication with the teacher has occurred
  - If parents give permission and transportation is not necessary, students may leave school prior to 3:20 (following the communicated arrangements)
